Door & Millwork

Product Guide

2 Panel Square Molded

Whether you need custom hinge placements, or a cutdown door, our Door Shop can customize almost any door to fit your needs. Ask a sales associate for details.

MASONITE®

Stillwater Building Center offers a wide variety of interior door panels from Masonite designed to improve your home's beauty and functionality. Each door is hand assembled in our shop, and you can rest assured that you are getting a high quality door at an exceptional price.

We can also special order many other styles of doors, ask a sales associate for details.

Door & Millwork

Product Guide

Stillwater Building Center is a full service lumberyard providing the products and services you need to complete your job. We have our own local door shop to provide you with higher-quality, lower-priced doors. Our doors provide increased speed, efficiency, and quality to your job, adding value for you.

Many of the items in this guide may be seen in our showroom, located at 4521 S. Perkins Road in Stillwater, OK.

Come see us and let us assist you with your project.

4521 S. PERKINS RD. STILLWATER, OK 74074
